Overview

“Co-parenting for Successful Kids” is a research-based education class designed to help separating and divorcing parents cope with divorce and custody.

The goal of this class is to develop respectful, responsive, and responsible co-parents. In class, parents learn how to answer their children’s questions about the separation/divorce, and how to keep their children safe and out of the parents’ conflict. “Co-parenting for Successful Kids” strengthens communication skills that can improve interactions between children and parents.

The class is offered throughout the year at:

The Resolution Center
120 South 5th Street
Beatrice, NE 68310
